

EASTERN UNIVERSITY POST-GRADUATION REPORT 2018

FIRST DESTINATION SURVEY: TRADITIONAL UNDERGRADUATE BACCALAUREATE COLLEGES

TRADITIONAL UNDERGRADUATE BACCALAUREATE COLLEGES:

Class of 2018 First Destination Survey

ABOUT THE SURVEY

The first destination survey provides an overview regarding the status of Eastern University Traditional Undergraduate Baccalaureate (TUB) alumni within six to nine months of graduation. For the purposes of this survey, “Class of 2018” is defined as a TUB student who graduated in August 2017, December 2017, or May 2018.

The Center for Career Development gathered statistics using the professional guidelines set forth by NACE (National Association for Colleges and Employers). The First Destination Survey, created by Handshake using NACE guidelines, was distributed electronically to TUB alumni. Data were also gathered via paper surveys at December 2017 and May 2018 graduation rehearsals. Faculty members were contacted via email in early 2018 about graduates whose status remained unknown. Additionally, information on non-responders was captured from updated professional profiles on social media sites (primarily LinkedIn) as well as employer webpages.

Through this extensive process, we obtained an 84% knowledge rate of the Class of 2018.

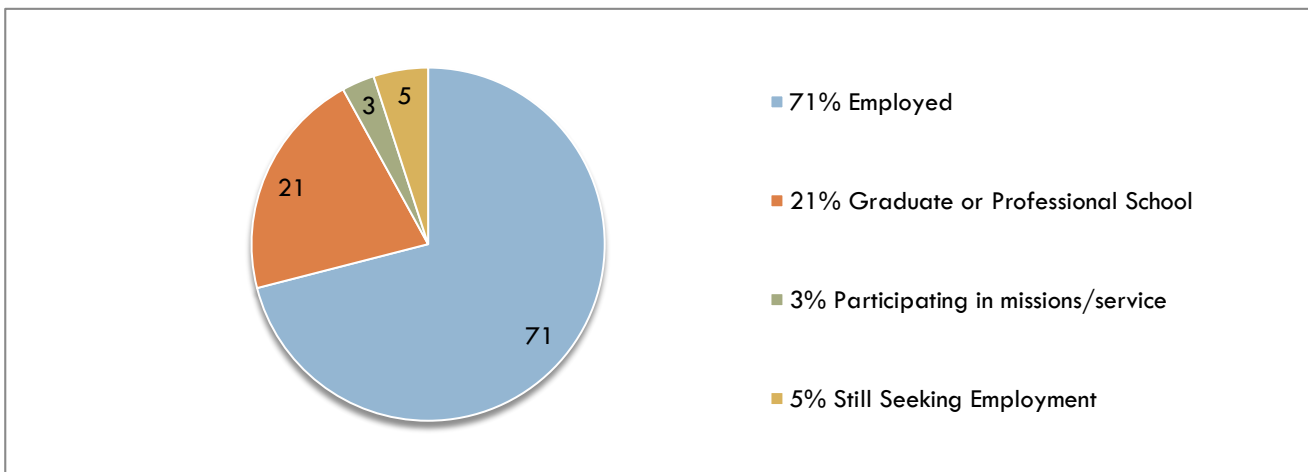

“Knowledge rate”, as defined by NACE, is the “percent of graduates for which an institution has reasonable and verifiable information concerning the graduates’ post-graduation career activities.” Our intention is to provide a summary of first destination highlights, as well as a specific breakdown by TUB Colleges for the Class of 2018.

Submitted by Sarah Todd, M.Ed '13, Director, Center for Career Development, 4/5/19
