

College of Arts and Sciences

Dean's List – Fall 2010

“There are different kinds of gifts, but the same Spirit. There are different kinds of service, but the same Lord. There are different kinds of working, but the same God works all of them in all people” (1 Cor. 12:4-6).

We wish to honor those students who have shown giftedness as students as they have diligently sought to achieve a standard of excellence in their studies. Achieving academic excellence requires stamina, discipline, effort, discernment, and talent. These are special gifts and personal qualities. We encourage you to continue to meet this high standard while continuing to discover how our Lord might use you and your gifts to His Glory.

With congratulations and prayers for your continued success,
Dr. Beth M. Doriani, Dean

Our sincere congratulations to:
