

Nestlé Purina is an industry leader that is driven at the core by innovation with a strong belief in work-life balance. This belief helped to earn us a spot in the St. Louis Business Journal's Top 20 Best Places to Work in 2011, as well as being recognized as a top place to work for recent grads.

We are targeting students who will have a bachelor's degree by June 2012 for our accounting, engineering and production management trainee programs, located in Crete, Nebraska, Bloomfield, Missouri and Clinton, Iowa. Please know that these positions will be removed from the Nestlé Purina website once the appropriate number of face-to-face interviews have been scheduled, so be sure to apply now!

All full-time positions (trainees) will offer relocation packages.

We also have an interactive Facebook page in which students can ask our recruiters questions directly: <http://www.facebook.com/NestlePurinaCareers>.

To be considered for any positions, please be sure to apply online using the link below: <http://bit.ly/zqrxWw>
