Eastern University believes that an essential component of spiritual formation, “the process of being conformed to the image of Christ for the sake of others” (Robert Mulholland, *Invitation to a Journey*) happens in and through the local church. While many opportunities for corporate worship are facilitated on campus by the Christian Life Office and other groups throughout the week, students are encouraged to find a local church to attend during their time at Eastern. To that end, many churches in the area provide rides for students who would like to attend their service but do not have transportation. Some churches listed in this brochure are within walking distance of Eastern’s campus, and others may be accessible by public transportation. A “Carpool to Church” Board is posted in Walton Hall near the Mail Center, so that students with transportation who are willing to share a ride can bring other students with them to church.

This is not a comprehensive list of local churches. Rather, it represents a portion of the churches where faculty, staff, and students currently attend. Please contact the Christian Life Office if you have questions about other churches in the area that do not appear on this list.
