

H1N1 Limited Vaccination Clinic to be held on the ST. DAVIDS CAMPUS

We have received a portion of the number of doses of the H1N1 vaccine that we requested and will be administered to those who are eligible, according to the CDC guidelines. Vaccination will be available for Eastern University students and employees only (sorry, no neighbors, friends or families at this time) who are in the following categories. This is a voluntary vaccination program. Each eligible person should consult with their health care provider and make their own best decision as to be vaccinated or not. Students and employees who are eligible to receive the vaccination at this time:

- Persons between the ages of 6 months and 24 years old
- Pregnant women
- People who live with or care for children younger than 6 months of age
- Healthcare and emergency medical services personnel
- People ages 25 through 64 years of age who are at higher risk for complications due to H1N1 and who present a doctor's note at the door.

The Vaccination will cost \$5.00 to help defray the costs of administration and is due at the site.

Clinic Location: Eastern University, St. David's Campus – Recreational Gym

Parking: If you work or attend classes on the St. Davids campus, please walk to the recreational gym. If you are coming from another campus, use the main entrance off of Eagle Road. Park in the McInnis lot. Walk toward the softball field and follow signs to the **Recreational Gym** from there. (see campus map). If you need handicapped parking, call 610-341-5800, state that you are coming to the clinic and that you need handicapped parking directions.

Clinic Dates and Times and who may come during each timeframe (vaccinations can only be administered during clinic hours):

Wednesday, November 4 10 a.m. – 4 p.m.

This clinic will be open **only to students*** up to and including those 24 years of age.

Thursday, November 5 10 a.m. – 4 p.m.

Friday, November 6 10 a.m. – 3 p.m.

This clinic will be open to students* up to and including those 24 years of age **and** all others* who who meet the CDC guidelines above. If you are faculty or staff between the ages of 25 and 64 and have a chronic illness, we are requesting a physician note (as instructed by the PA State Health Department) stating that you are eligible for the vaccine at this time.

***If you have a chronic illness or are currently under treatment for any condition (i.e. cancer, heart, asthma, etc), and have any concerns about receiving the vaccine, please check with your primary care physician.**

If you do not fit into one of the categories for vaccination at this time, as soon as we receive notification from the health department that the vaccine is available to others, we will post that information, subject to supply. We will continue with vaccinations until the supply is depleted.

If you have questions about the vaccination, please call your health care provider.

If you have questions about the clinic, please call 610-341-5822 .
