

RefWorks Faculty Workshop

On **February 20th at 2 pm in the Fowler Computer Lab**, Warner Library will be offering a free workshop open to all Eastern faculty members on our newest resource, RefWorks.

RefWorks is an online, bibliographic citation manager that allows for the easy collecting, managing, and citing of resources.

This 50 minute, **hands-on** workshop will teach you:

- **how to create your own personal account**
- **ways to import resources into your citation database**
- **tips on managing and organizing your citations**
- **how to compile a works cited page in any of the major citation styles, and so much more!**

For more information about RefWorks, please take a look at their information by clicking [here](#). To see examples of RefWorks in action, please view this brief [PowerPoint presentation](#).

If you are interested in participating in this workshop please contact Andrea Reed at areed@eastern.edu. This is a great learning opportunity! Don't let it slip by!
