Total	0	0	0	0	0	0	0	0	0

**Small fire on 2nd floor extinguished with fire extinguisher damages < \$50.00*

The Fire and Evacuation Plan is below.....

- If you discover a fire or smoke condition, call 911 before you notify the Department of Public Safety by telephone (610 - 341 - 1737) from a safe area. Give your name, location and nature of the fire. If the building fire alarm system is not sounding, activate the nearest fire alarm pull station. Fire alarm pull stations are located within 5 feet of an exit door.
- Upon activation of a smoke detector or notification of a fire, all occupants should exit the building at once. Feel the door to your room before opening it. If the door feels hot or smoke is seeping in, do not open it. Seal off the cracks in the door with a coat or blankets and open outside windows for ventilation. Call Public Safety and explain your situation, giving your name and location. Never jump from windows, especially above the second floor. Signal your location by waving a towel or bed sheet out of your window.
- If the door feels cool, open it slowly. Be prepared to slam the door if the hall is full of smoke or heat. If the hall is clear, proceed to the nearest stairs and exit the building. Should you encounter heavy smoke while exiting the building, turn back and find a room that provides a safe area of refuge. Contact Public Safety immediately. Become familiar with two escape routes from the building.
- If you get caught in smoke or heat, crawl on the floor and take short breaths through your nose until you reach an area of safe refuge.
- Remember to assist any physically challenged persons in your area to safety in the event of an emergency.
- During late night and early morning hours if conditions permit, attempt to wake sound sleepers in your area.
- Once you have left the building, do not return for any reason. Someone from Public Safety will notify you when it is safe to return to the building.
- Persons evacuating the building should meet in the Designated Meeting Area.

IN CASE OF FIRE

ALERT THE RESIDENTSEVACUATE THE BUILDING**CALL 911** CALL PUBLIC SAFETY (610) 341-1737**
