Introduction

This Fact Book contains basic information about the Eastern University community; it includes data about Eastern's entering students, total enrollment, and employees. The goal of this Fact Book is to provide, in one location, information for those interested in the institution, whether they are prospective students, current students, alumni, employees, donors, or researchers.

In addition to this document, the Office of Institutional Planning and Effectiveness publishes a Longitudinal Fact Book every two years, which is made available on our webpage. The goal of the Longitudinal Fact Book is to help viewers spot changes and progress in Eastern's student population and retention and graduation statistics.

Previous Fact Books (beginning in Fall 2014) and Eastern's Common Data Sets (beginning in Fall 2007) are also available on the Institutional Research webpage.

If you are a current student or employee of the University, you may request more information from the Office of Institutional Research by clicking [this link](#) or the link at the bottom of the Institutional Research webpage and logging into the Web Help Desk. If you are a visitor to Eastern, please contact the Institutional Research Office through the contact information listed on the last page of this Fact Book.

Thank you for your interest in facts about Eastern University.
