Sitter for random weeknights and weekends, Wayne (10/17)

We have had a wonderful experience with sitters from Eastern and hope to connect with a few new sitters for this school year. We only live 2 miles from campus, but will ask that sitters have access to a car. Our son is 11 and our daughter is 9. They enjoy legos, art, soccer and playing in the yard. They do enjoy their screen time, but are pretty good about finding a balance. Please reach out so we can make a plan to meet up and introduce you to our kids. Thanks! Meg c: 484-868-8866
