Summer 2022 Student Employment

Email notification regarding applying for Student Employment for the summer was sent out the week of February 14th. Every student who would like to work on campus during any portion of Summer 2022 MUST complete the Summer 2022 Employment Application. It is not a guarantee of employment, but it allows Student Employment to know who is interested in working this summer, what funding options are available, and it allows HR to get all necessary employment paperwork prepared.

Don’t delay—complete it today!
