Introduction

This Fact Book represents basic data about Eastern University, providing information about entering students, all students, and employees. The goal is to provide, in one location, information for those who have an interest in the institution, whether they are prospective students, present students, alumni, employees, donors, or researchers.

New this year, this document, the Longitudinal Fact Book, will show trends for the data for students (employee trend data is already posted in current Fact Books) is also available on our webpages. This will make it easier to spot changes for entering and all students as well as retention and graduation data. The goal of these efforts is to make this page on the Institutional Research website a “go-to” page for all data about Eastern.

Previous Fact Books or the Common Data Set may be accessed by clicking on the links on the Institutional Research webpage.

For more information, please contact the Office of Institutional Research by clicking this link ([Request Information from Institutional Research](#)) or on the link at the bottom of the Research and Reporting at Eastern web page. Additional Contact information is also listed on the last page of the Fact Book.

Thank you for your interest in Facts about Eastern University.
