HOUSING AND MEAL PLANS

On-Campus Housing is required for all Traditional Undergraduate Students and Housing will be assigned to Exchange Students after their online Housing Contract is received by the Housing Office. Students can select their room and building type preferences on the contract but placement within those preferences cannot be guaranteed.

There are a variety of meal plan options available to Eastern students. Each plan is assigned the same price. First-Year students will be assigned to the Unlimited Meal. Changes to your Meal Plan can be made here:

Information on meal plans and housing options can be found here: www.eastern.edu/housing.

CLASS REGISTRATION

Class registration will be processed by the Registrar's Office according to the classes approved for exchange students and course availability. The Registrar will email your registration to you when it is completed.

COSTS AND FEES

Exchange students are required to pay room, board and health insurance costs to Eastern University. Information on all costs can be found here: www.eastern.edu/sa. Please note: room costs vary depending on the style of room to which you are assigned. We cannot guarantee the standard room rate.

Student bills will be accessible through their my.eastern.edu page at least one month prior to the start of the semester. All bills must be paid in full prior to the student's arrival to campus (August 15 for fall semesters, December 15 for spring semesters.) Payment plans are not permitted for exchange students.

HEALTH INSURANCE

All Eastern students are required to have health insurance during their time at Eastern. International students are required to purchase coverage through Eastern's health insurance plan, and this cost will be automatically added to your bill. Information on the health insurance plan can be found here: www.eastern.edu/healthinsurance.

WHY A J-VISA?

Exchange students at Eastern study under the terms of a J-Visa. This is different from a traditional student visa (an F-Visa); however, it is appropriate for students studying under the terms of an existing exchange relationship between two institutions. If you have questions regarding your visa status, please contact Augusta Allen, Director of International Student and Scholar Services, at aallen6@eastern.edu.
