## Introduction

The 2015 Eastern University Fact Book represents basic data about entering students, the total student body, faculty and staff. The goal of this book is to provide easy access to information about the institution for all interested parties.

Please note that this book has been updated to reflect the university's current structure, allowing year to year comparison with the 2016 Fact Book.

For more information, please contact the Office of Institutional Research by clicking this link ([Request Information from Institutional Research](#)) or on the link at the bottom of the Research and Reporting at Eastern web page.

Thank you for your interest in Facts about Eastern University.
