

Traditional Students

Validated Learning Alternatives for General Education & Elective Credits

Up to 60 credits can be earned through Validated Learning including:

- CLEP Exams
- DSST Exams
- Excelsior College UExcel Exams
- Certifications/Licenses
- AP (from high school)
- IB (International Baccalaureate – up to 30 credits)
- Military Training: www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx

The American Council on Education (ACE) “is the major coordinating body for the nation’s colleges and universities” (<http://www.acenet.edu>). ACE provides a list of approved institutions and courses for taking low-cost online courses. See: www.alternativecreditproject.com.

All Validated Learning Alternatives MUST be approved by the Registrar.

The last 32 credits must be completed at Eastern

CLEP Examinations
(www.collegeboard.com/clep)

“The College-Level Examination Program® (CLEP) helps you receive college credit for what you already know, for a fraction of the cost of a college course. Developed by the College Board, CLEP is the most widely accepted credit-by-examination program, available at more than 2,900 colleges and universities. Pass any of the 33 CLEP exams and achieve your college and career goals.”

“CLEP offers 33 exams in five subject areas, covering material taught in courses that you may generally take in your first two years of college. By passing a CLEP exam, you can earn 3 or more college credits. Exams cost \$80.” (Text copied from <https://clep.collegeboard.org/> on Nov 3, 2016.)

Additional CLEP Exams may also fulfill credits for major subject areas and electives upon approval by the department chair.

CLEP credits may not be applied to total semester hours for the purpose of financial aid (see EU Course Catalog, pg. 98).

DSST Standardized Tests
(www.getcollegecredit.com)

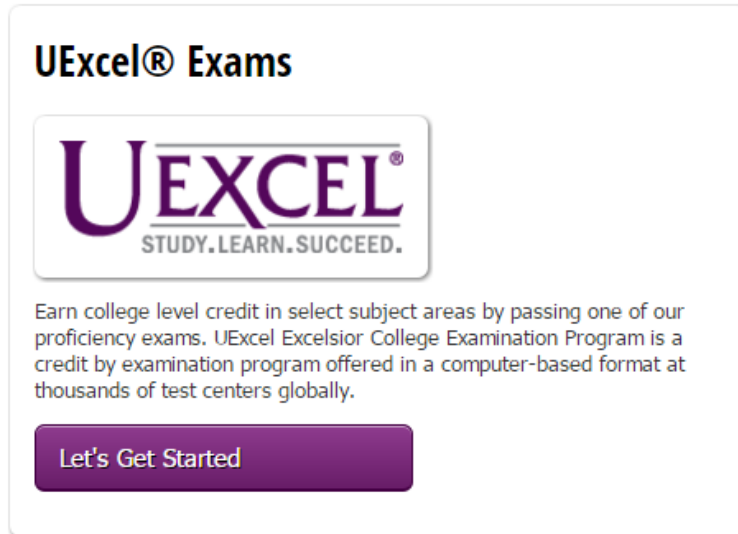

“DSST...are credit-by-examination tests originated by the United States Department of Defense's Defense Activity for Non-Traditional Education Support (DANTES) program.”

“If experience is the world's greatest teacher, then your experiences may well qualify you for college credit. The nationally recognized DSST Program helps you receive college credits for learning acquired outside the traditional classroom through a suite of more than 30 exams in college subject areas such as Social Sciences, Math, Applied Technology, Business, Physical Sciences and Humanities. A form of prior learning assessment, DSSTs offer students a cost effective, time saving way to use their knowledge acquired outside of the classroom (perhaps from reading, on-the-job training, or independent study) to accomplish their educational goals.”

(Text copied from <http://getcollegecredit.com/> on Nov 3, 2016.)

DSST offers 30 Exams for \$80 per test for 3 credits (may be an additional small sitting fee from the host institution).

Excelsior College UExcel Exams
(<http://www.excelsior.edu>)

UExcel® Exams

UExcel®
STUDY. LEARN. SUCCEED.

Earn college level credit in select subject areas by passing one of our proficiency exams. UExcel Excelsior College Examination Program is a credit by examination program offered in a computer-based format at thousands of test centers globally.

[Let's Get Started](#)

(Graphic copied from <http://www.excelsior.edu> on Nov 10, 2016.)
