**Fall Babysitting** (6/16)
Hi! I am an Easter alum am looking for a morning babysitter, Monday through Friday, for the 2016-17 school year, for one child, age 2.5, in Narberth, which is about 15 minutes or so from Eastern. The job would be coming to my home on the early side, spending a little time with my little boy, and driving him to his school, which is 5 minutes from our home. I will provide a car seat. There are two options in terms of hours. One hour per day, arriving at my house around 6:40am and taking Noah to the early drop-off session at his school at 7:30am. OR, 2) For longer hours, the sitter would arrive at 6:40am and take my son to school at 9am (He would skip the early drop-off session and instead have more time with the sitter). My preference is for the 1 hour per day sitter, but willing to do either option depending on the needs of the sitter. The pay is negotiable and good- let's work together to find the right hourly rate. Please contact me at lisadribin@aol.com if you are interested. Thank you!
