

AT EASTERN UNIVERSITY TRANSFER STUDENTS ARE IMPORTANT!

You know you're not just another first year student. So do we. But your career at Eastern won't be the same without involvement in Orientation, which is for all new students.

PLEASE PLAN TO JOIN US FOR THE TRANSFER DESSERT

See the Welcome Week Schedule distributed during move-in or at the commuter meeting for more information!

You will meet other transfers and members of the Student Development Staff who will help you feel at home at Eastern. I look forward to meeting you then.
