

PARKING INSTRUCTIONS FOR MOVE-IN DAY

1. Check the campus map to find out where your residence hall is located. Go to the parking lot nearest to your residence hall.
2. Look for signs in the parking lot with instructions concerning unloading.
3. Look for people wearing **STAFF** T-shirts to ask for information and have them help you move in.
4. Unload your vehicle as quickly as possible. Make sure someone stays with the vehicle until it is unloaded. **You must unload and remove your car from the parking areas surrounding the residence halls within 30 minutes to allow others an opportunity to unload their vehicles.**
5. After you unload, move your vehicle to a parking space in the McInnis Hall lots. Those lots are located on the Main area of campus near the Howard Center (the Library) and Walton Hall (Dining Commons). Everything on campus is within walking distance. Once you are parked away from the move-in area, you don't have to move your vehicle again.
6. Park **ONLY** in designated spaces; do not park in travel or fire lanes and do not park others in. If you have a handicap and need assistance moving in, please call 610-341-1720 for instructions.

Thank you for your patience during move-in.
